Dear Mr. Max Loeffler,

Thank you for your generous donation of 230 homemade masks to Overlook Medical Center. On behalf of Overlook Foundation, allow us to express our deepest gratitude and appreciation of your support during the COVID-19 pandemic. Without your generosity, our doctors and nurses and, by extension, their families would certainly face a greater risk of illness and possibly death.

In accepting your donation, Overlook Medical Center acknowledges that others have manufactured and delivered these supplies. Overlook Medical Center will check the quality of all donated goods and verify their proper use. Overlook Medical Center releases the donors who made this generous gift from all claims resulting from actions or omissions of Overlook Medical Center and arising from its use of the supplies.

We are deeply grateful.

Sincerely,

Clelia Biamonti, PhD
